

What you will achieve with the Blunik-Raid and accessories?

AS A TEAM

- ¡You will improve regularity on extreme terrain!
- You will improve stage after stage!
- You will manage to be in the exact place at the exact time.
- You will achieve zeros in the classification

IF YOU ARE A CO-PILOT

- You will have the **information you want when you want it**
- You will be able to **“set” distance** whenever you want and in the most suitable way
- Have **reliable data** for the navigation
- Delegate the task of monitoring the regularity to the pilot
- Have more time to be able to manage other co-piloting tasks.
- You can check programming and **self-correct** during the section
- Make the **synchronised departure** in your minute

IF YOU ARE A PILOT

- You will be able to **monitor regularity** at all times and not depend on the co-pilot
- Know if you are delayed/advanced at all times (**LED LINE**)
- Know by how much you are delayed/advanced (**MEGA SCREEN**)
- Know if you are recovering or losing distance regarding the point where you should be

Spirit of regularity
